RENEWED PETITION UNDER 37 C.F.R. 1.47(a)
ONE INVENTOR NOT AVAILABLE

Hon. Assistant Commissioner for Patents
Box PCT
Washington, D.C. 20231
Attn.: Examiner Diana L. Oleksa
PCT Legal Office

Dear Examiner Oleksa:

Applicants hereby present a Renewed Petition for the above-identified United States Patent Application. This Renewed Petition is provided in response to the decision dated March 18, 2003 in response to the Petition under 37 CFR 1.47(a) dated 10 February 2003 for which a request for reconsideration of the Decision is due on April 18, 2003.

It is respectfully submitted that no fee for filing this Renewed Petition is due. However, if a fee is due, please charge the fee to Deposit Account 07-0832.

Upon receipt of the Decision dismissing the original Petition under 37 CFR 1.47(a) for the above-referenced United States Patent Application, the Assignee has obtained a new petition signed by Daniel Mark Hutchinson, Gary Dean Grubbs and Roger Anthony Diemer correcting the deficiencies in the previously filed Declaration. Applicant also again attempted to reach Mr. Ricardo Haro. The previous Declaration signed by Mr. Haro was rejected in the above-mentioned decision as a faint mark striking through the listings of the other co-inventors was present.

In this subsequent attempt, Ms. Davida Fornarotto, an employee of Assignee, Thomson Licensing, Inc., was entrusted with attempting to contact Mr. Ricardo Haro. A declaration signed by Ms. Fornarotto is attached as Exhibit A.

On March 26, 2003, Ms. Fornarotto placed a telephone call to the last known telephone number (317-598-9515) for Mr. Haro. Upon dialing the telephone number, Ms. Fornarotto was informed that the telephone number was disconnected.

After finding out the telephone number was disconnected, on March 26, 2003, Ms. Fornarotto contacted Mr. Haro's supervisor prior to his leaving Thomson Licensing, Inc., Mr. Carlos Lopez. Mr. Lopez was contacted via email asking for the whereabouts of Mr. Haro. Mr. Lopez indicated that he would investigate the matter. On March 27, 2003 Ms. Fornarotto received a return email from Mr. Lopez providing a cellular telephone number (011-52-656-106-7132) for Mr. Haro. A copy of the email sent to Mr. Lopez as well as the responses received from Mr. Lopez is attached as Exhibit B.

On March 27, 2003 Ms. Fornarotto contacted Mr. Haro at the telephone number provided by Mr. Lopez and left a voice mail message asking Mr. Haro to contact her with a current home address so another Declaration may be sent for his signature.

After not hearing from Mr. Haro, on April 1, 2003 Ms. Fornarotto again contacted Mr. Lopez via email to ask if he knew of an address for Mr. Haro. Mr. Lopez responded indicating that he will have a colleague contact Mr. Haro directly. A copy of this email sent to Mr. Lopez as well as the response received from Mr. Lopez is attached as Exhibit C.

On April 3, 2003 Ms. Fornarotto received an email from Mr. Haro providing a telephone number and a subsequent email including an address for mailing of the Declaration. Ms. Fornarotto responded to the email on April 3, 2003 indicating that she would send the Declaration via Federal Express. A copy of these emails is attached as Exhibit D.

On April 3, 2003 Ms. Fornarotto sent a new Declaration via Federal Express (FedEx Tracking No. 8401 2496 8923) along with a return envelope and Airbill (FedEx Tracking No. 8388 7665 9283). The letter and documents were sent to 8401 Gateway West E-1 PMB160, El Paso, Texas 79925. This is the address Mr. Haro provided in his email of April 3, 2003. A copy of the documents mailed by Ms. Fornarotto are attached as Exhibit E. A copy of the FedEx Airbill (FedEx Tracking No. 8401 2496 8923) is attached as Exhibit F.

A few days later, Ms. Fornarotto called Federal Express and was informed that the package sent on April 3, 2003 was delivered on April 4, 2003 and was signed for by Gallegos. Ms. Fornarotto then logged onto the Federal Express web site and confirmed this information by tracking the activity of the shipment. A printout of the tracking information received from the Federal Express web site is attached as Exhibit G.

Ms. Fornarotto also logged onto the Federal Express web site to track the activity of the return envelope Airbill (FedEx Tracking No. 8388 7665 9283) and was informed that Federal Express had no record of an envelope with FedEx Tracking No. 8388 7665 9283 being picked up. A printout of the tracking information received from the Federal Express web site is attached as Exhibit H.

On April 15, 2003, Ms. Fornarotto again emailed Mr. Haro asking if he had received the Federal Express package and informing him that the package was received by and signed for by Gallegos. The email also indicated that the Declaration must be filed by April 18, 2003 and thus requires his immediate attention. A copy of this email is attached as Exhibit I.

No response to this Federal Express package has been received as of the date of this petition, no response has been received from Mr. Haro.

It is respectfully submitted that the Assignee has been diligent in the efforts made to contact Mr. Haro and have a Declaration executed. As a Declaration executed by all named inventors other than Mr. Haro is now being provided with this Renewed Petition to the United States Patent and Trademark Office and such diligent efforts have been made to locate Mr. Haro and have a Declaration signed, it is respectfully submitted that all the filing requirements have been met and that the present application should now be Examined.

Should there be anything else required in order to meet the filing requirements of the United States Patent and Trademark Office and place this application in better form for examination, the Examiner is respectfully requested to contact the undersigned attorney.

Respectfully submitted,

By: 

Jackie Jay Schwartz

I'll send a message to him directly. One of my college knows his home. I think is better if he contact you directly than if I give you his address, because I don't know how many time he'll be there (his home town is Durango and not Juarez). If this plan fail I'll investigate more deeply for you about his location. I'll keep you informed.

Subject: RCA 89694 Documents to be signed

April 15, 2003

Dear Mr. Haro:

This is further to our previous e-mails concerning a document that needs your signature for the above case.

~~I have checked with FEDX and was advised that the package, with the document for your signature, was received and signed at:~~

Would you please let me know if you have received it? Also, could you please sign the document and return it to us as immediately as possible as we have a due date of April 18, 2003 to submit it to the US Patent Office.

Thank you for your help.
